Dear Parent/Guardians

We are happy to announce that E.S. le Grange are now on Facebook and that we have a website!

A Face book page and website has been set up specifically for our school families so you can log on and see what we are doing throughout the week and term. We plan on posting updates on upcoming events, reminders, and important information that pertains to your child's enrolment.

Social Media is a popular, ever growing, and easy way to keep up with friends and family and now your child's school week! Although we are very excited about the new forums we understand that not everyone uses it or finds it beneficial. Below is a consent form for you to fill out. We plan on posting pictures of the children on the Face book page and website participating in different activities while here at the school, **but only with your permission.** We understand that you may have personal preferences for you and your child's privacy, and we respect that

Please fill out this form completely so we may have an accurate record of your wishes. We look forward to having more communication with you and hope you find this useful!

-----Cut off and return please-----

I, _____, give E.S. le Grange Special School permission to use my child's photograph's for the E.S. le Grange Special School Facebook business Page and school website. I understand that if at any time I wish for my child's photograph's to not be used, I must notify the Principal or the page Director either through email, or by phone, at which point they will cease to post photograph's including my child immediately.

X _____

I do not wish for photograph's of my child to be used for the E.S. le Grange Special School Facebook business page.
